SHINE Horrocks Reward Camp!

SHINE loves to celebrate the successes of our girls. This term we held a camp in Horrocks to reward the girls who have made a significant increase in their school attendance and behaviour. With individual student contracts, we work closely with our girls to achieve personal attendance goals, ensuring them a place on camp. This term we took 28 students to Horrocks for 3 days. We went skurfing, visited the sand dunes, had pamper nights and did yoga on the beach. All in all, we had a blast together as a SHINE family.

Always challenging ourselves and learning new skills!

Engagement Dinner!

Our combined engagement dinners are always a time of celebration of our student's achievements throughout the term. This time we went to Hogs Breath and were lucky enough to have our Art Therapy Presenters join us! This was a great opportunity for our students to get to know some of our amazing presenters on a more personal level and engage in some beautiful conversation together.

Shimmer & SHINE Keeps Glowing!

Our John Willcock College have continued visiting local Geraldton Primary Schools to share with the younger girls all they have learned and love about SHINE. The mentoring program has been hugely successful with beautiful friendships being formed, knowledge being shared and many, many girls learning they are a princess, worthy of a great future. Well done SHINE students, for sharing the SHINE love in our Community.

Save the Date SHINE Graduation!

The SHINE inaugural Graduation is coming up and we want to share it with you! Our Graduation is always a beautiful time where we can reflect on the challenges and successes of the year with our girls, be reminded of how far they have come and celebrate their journey and future. Please save the following details in your calendar and come be a part of this celebration too:
