## Iluka Appreciation Post!

Iluka is a Diamond sponsor of SHINE! Over the past four years, they have been a huge supporter of our program and the success of our girls.

Iluka staff are always available to visit our Salons to chat with the girls about careers, employment and work readiness and have created traineeship opportunities for two of our SHINE girls.

SHINE girls with our Diamond Sponsors Iluka and staff Courtnet Ackland, Narngulu Operations Manager and Vanessa Waghorn, HR Business Partner

## SHINE Welcomes New Program Manager!

SHINE introduces Tonia Swetman, our recently appointed program manager. Tonia's role includes partnership liaison and administration with a strong focus on governance and sustainability.

We are excited to have Tonia on board as she brings substantial experience to the position, with a broad public affairs background working strategically with industry, government and the community. As the CEO of several not-for-profit organisations, she has an excellent track record in stakeholder relationship management, corporate governance and financial administration.

Tonia will work closely with the Board of Management and SHINE's program founder and lead facilitator, Mandy Jolley, who will continue to lead the delivery of our program in WA schools.

Tonia with SHINE Partner Tara Martin from Rio Tinto at our SHINE Networking breakfast in Perth

## MMG Visits SHINE Salon!

It was wonderful to share SHINE happenings with Ben Ryan, EMR Golden Grove (formerly MMG, Golden Grove). Ben visited the Geraldton Senior College SHINE facility to see the girls and Mandy in action and to discuss EMR Golden Grove's successful partnership with SHINE.

The **Golden Grove Mine** is a copper, lead, silver, zinc and gold mine located 52 km south-south-east of Yalgoo in the Mid-west of Western Australia.
