Rio Tinto Host SHINE Event!

SHINE was honoured to have Rio Tinto host a Breakfast Networking event, bringing Perth businesses together to showcase the work that SHINE is doing in schools. The morning was a HUGE success thanks to the support of the Rio Tinto team, the SHINE Board, support team and some amazing SHINE alumni!

Rotary and SHINE Celebrate Partnership!

All three Midwest Rotary Clubs recently came together for an evening at the SHINE GSC Salon this month. We had some incredibly keen SHINE girls who volunteered to waitress and mingle, sharing their stories with our local Rotarians.

Iluka Visits SHINE Salon

One of SHINE's Diamond Sponsors, Iluka, came to visit SHINE at our GSC Salon! Courtney Ackland, Narngulu Operations Manager for Iluka and Vanessa Waghorn, HR Business Partner, were pampered in the Salon while being served coffee from our newly trained SHINE barristers.

SHINE Rewards Girls with Sleepover!

Mandy and Jodie were SO proud to host 20 SHINE girls for a sleepover to reward them for 90% school attendance. The girls were overwhelmed when they were given boxes and boxes of donated clothes to sort through and keep some special pieces. We can't thank all our donors enough for supporting our girls.

SHINE Celebrates with a Photoshoot!

Our John Willcock College SHINE girls had their first photoshoot of the year this month. A hugely important part of SHINE is creating opportunities for our girls to practice the skills we teach them in the Salon. When we plan a photoshoot, the girls are expected to communicate as a team, budget for outfits, source local hairdressers and makeup artists to volunteer for the photoshoot day, organise a theme and location for the shoot, work together to be timely and efficient, and be challenged in their confidence to participate in the shoot. These photos are so much more than just a photo, it is a physical representation of how far our girls have come, and it's something they can take home and of which to be proud. Well done girls!

SHINE Weave Away!

Art Therapy is a significant part of SHINE's curriculum. We received a grant from Stephens Family Foundation and the girls learnt the art of macramé, making some beautiful wall hangings to keep for themselves or gift for a special someone. The girls did some incredible work.
