SHINE Begin SCAR Campaign!

The month of May has been jammed packed with dynamic and engaging workshops for our SHINE girls. The SCAR campaign has been hugely challenging and life-changing as the girls wrote powerful lyrics about overcoming self-harm before meeting with a local rapper to create a song together and bring more awareness to their community.

Rio Tinto Visit SHINE Salon

We had the pleasure of having the Indigenous Recruitment Advisor and the Apprenticeship Superintendent of Rio Tinto come visit the girls and talk employment opportunities in the mining sector.

BIG thanks to Tara Martin, the Advisor of Community Engagement at Rio Tinto for organising this amazingly informative visit!

Chrysalis Teaches Healthy Relationships!

Our girls participated in a powerful workshop delivered by Sarah from Chrysalis about healthy relationships. It is so vital our girls know what a healthy relationship looks like so they can make those healthy life choices for their future.

SHINE loves Chrysalis!

SHINE Engagement and Rewards!

Our term two first Engagement Dinner was EPIC! We had over 50 SHINE girls come together for dinner. Both recent and past SHINE girls sat together chatting, laughing, and sharing. This family environment is what SHINE is all about.
